Environmental Sanitarian
Department of Natural Resources
P.O. Box 3003
Lansing, Michigan

10/31/78

Dear Mr. Fore:

The City of Albion contracts with Mr. Gordon Stevick for the provision of landfill services. Mr. Stevick indicates that the Department of Natural Resources have indicated concern with the potential of down water pollution by the existing landfill, and that it intends to "shut down" the landfill.

I would appreciate the opportunity to discuss this matter with you in the absence of Mr. Stevick, and determine the standards being applied to the landfill, additional costs being imposed upon Mr. Stevick by the State, as well as potential for continued development of the existing landfill site.

Your consideration of this request for a meeting will be most appreciated. Please advise me of a time which would be convenient for you, and I will be happy to make arrangements for the meeting.

Sincerely yours,

Lee Davis,
City Manager.
